StrengthsQuest™ Training

Are you interested in having a certified facilitator come lead a Strengths session for your organization or executive team? Download the registration form from http://lead-and-serve.tamu.edu/resources_strengths_home.asp.

The mission of the StrengthsQuest™ program at Texas A&M is to facilitate participants' achievement of academic, career, and personal success through the identification, development, and utilization of their top 5 strengths. In the 2006-2007 academic year, a little over 1500 students participated in a Strengths program.

In order for a group to schedule a session, all members of the group will need to take the Clifton StrengthsFinder inventory. Codes to access the online inventory can be purchased from Karen Williams (kwilliams@stuact.tamu.edu) for \$22.75 per reference book or \$13.20 per code (a code is included in each book).

MSC Spring Open House

Howdy Camp 2008

January 11-13

Registration is now open at the Howdy Camp website (www.howdycamp.tamu.edu). Howdy Camp will be held at Camp Tejas in Giddings, TX, on January 11-13, 2008. The cost of camp is \$125, which covers lodging, food, and transportation. Howdy Camp is a fun way to meet new people, find ways to get involved on campus, and experience Texas A&M traditions. If you have any questions about Howdy Camp, call Casi Cobb at 845-1785 or email her at ccobb@stuact.tamu.edu.
