Fish Camp Namesake Nominations Due December 14th

Fish Camp 2008 encourages you to nominate a Fish Camp Namesake whom you feel should be honored and respected for impacting Texas A&M University in a positive way.

Namesakes will have the opportunity to interact with counselors during the year and incoming freshmen at camp. A Namesake has the great honor of being both a support and a resource for the counselors and the freshmen.

Keep in mind that an affiliate with Texas A&M may only serve as a Fish Camp Namesake once. A list of former Namesakes is located on the Fish Camp website. Also, please note: undergraduate students are NOT eligible. Nomination applications can be found online at:
<http://fishcamp.tamu.edu/namesakes.html>.

StrengthsQuest™ Training

Are you interested in having a certified facilitator come lead a Strengths session for your organization or executive team? Download the registration form from http://leadandserve.tamu.edu/resources_strengths_home.asp.

The mission of the StrengthsQuest™ program at Texas A&M is to facilitate participants' achievement of academic, career, and personal success through the identification, development, and utilization of their top 5 strengths. In the 2006-2007 academic year, a little over 1500 students participated in a Strengths program.

In order for a group to schedule a session, all members of the group will need to take the Clifton StrengthsFinder inventory. Codes to access the online inventory can be purchased from Karen Williams (kwilliams@stuact.tamu.edu) for \$20.00 per reference book or \$15.00 per code (a code is included in each book).
