# StuAct News

**November 19, 2007 - December 2, 2007**

## Newsletter Survey

The Department of Student Activities is seeking feedback on the *Get Involved!* and *StuAct News* newsletters. By assessing your satisfaction with the newsletters, we can improve our service of distributing news and involvement opportunities. Please check your email for the link to this 3-5 minute survey!

## Yoplait Yogurt Lid Drive

**October 1st - November 30th**

The Yoplait Yogurt Lid Drive is presented by Zeta Tau Alpha sorority and the Leadership and Service Center. For every lid, Yoplait will donate 10 cents to Susan G. Komen Foundation -- guaranteed \$500,000 and up to \$1.5 million.

Help by **SAVING, WASHING, and GIVING** your lids to the Leadership and Service Center (142 Koldus) or to the collection bin on the table across from Koldus 140/141.

## Alternative Spring Break

**Applications due November 28th**

Need something to do this Spring Break? Join Alternative Spring Break (ASB) and be a part of a fun volunteer experience that teaches you about cultural and social issues by connecting you with a new, different community. The service is hands-on, community-involved, and focused on a social issue.

ASB 2008 will be sending out 4 different trips, each working with a different social issue: children's medicine, hurricane relief, hunger/poverty, and Native American culture and community rebuilding. If you would like to be part of this once in a lifetime opportunity, visit <http://asb.tamu.edu> to download an application! If you have any questions, contact Sarah Lester at (713) 299-3190.

**Happy Thanksgiving  
from the Department of  
Student Activities!**

## EiC Curbside Recycling

**Sunday, December 2nd  
12:00 - 4:00 p.m.**

EiC will be holding a Curbside Recycling Drive on the sidewalk in front of Koldus. All students and staff are invited to bring recyclables from their home, office, or dorm room. Recyclables include: glass (except for green glass), plastics, newspapers, magazines, white paper, cardboard (does not include used pizza boxes), aluminum cans, and ink cartridges.

## Pay it Forward, Ags!

Whether it's holding the door, paying for a stranger's gas, buying lunch for a homeless person, writing letters to troops, volunteering for youth, or cleaning up a park, there are hundreds of ways you can affect the lives of others.

Start making the Texas A&M community a better place! Come up with inspiring, creative ways to help others! PAY IT FORWARD and encourage other Aggies to do the same! If you need ideas or want to share your Pay It Forward story, e-mail the Department of Student Activities' Leadership and Service Center at [serve@stuact.tamu.edu](mailto:serve@stuact.tamu.edu).

## StrengthsQuest™ Training

Are you interested in having a certified facilitator come lead a Strengths session for your organization or executive team? Download the registration form from [http://leadandserve.tamu.edu/resources\\_strengths\\_home.asp](http://leadandserve.tamu.edu/resources_strengths_home.asp).

The mission of the StrengthsQuest™ program at Texas A&M is to facilitate participants' achievement of academic, career, and personal success through the identification, development, and utilization of their top 5 strengths. In the 2006-2007 academic year, a little over 1500 students participated in a Strengths program.

In order for a group to schedule a session, all members of the group will need to take the Clifton StrengthsFinder inventory. Codes to access the online inventory can be purchased from Karen Williams ([kwilliams@stuact.tamu.edu](mailto:kwilliams@stuact.tamu.edu)) for \$20.00 per reference book or \$15.00 per code (a code is included in each book).
