III. Expectations & Guidelines

- a. *Be present.* This is both in attendance at meetings and in providing insight. Please be as flexible as possible as we schedule meetings.
- b. *Be open-minded.* All members were selected to serve for different perspective and ideas. Challenge each other to build on our ideas so we can come to the conclusion that is best for our fraternity and sorority students and our Aggie community.
- c. *Provide recommendations.* Provide recommendations to OFSL, Dr. Pugh, and President Young. This is not an implementation committee. Recommendations should be SMART – specific, measurable, attainable, realistic, time-bound.
- d. *Maintain confidentiality.* “What is shared here, stays here. What is learned here, leaves with us.”
