1. Cut out both squares along the black lines.

2. Fold the body section corner to corner making sure Reveille’s blanket is even on both sides.

3. Unfold the tail section and make an outside reverse fold. To do this, invert the tail inside-out so the white side is visible and points up.

4. Crease the head corner to corner in both directions. Then fold to this shape:

5. Fold ears back along the brown edge, and then forwards again making the black ear tips point up.

6. Place the finished head on top of the body and enjoy your Rev-igami!
1. Cut out all pieces on the following pages with scissors.

2. Fold the main body into a box shape using the tabs to glue or tape the sides together.

3. Fold the arms along the dotted line and tape or glue them to the sides of the body.

4. Color in hair however you’d like and either draw a face or tape a picture of a face onto the front of the figure.
