Howdy!

Taking into account the increasing number of cases of COVID-19 in the state of Texas as well as executive orders limiting in-person events to 10 people, the Interfraternity Council (IFC) has made the difficult, but necessary, decision to move fall 2020 recruitment to an all-virtual process. We are working tirelessly to create a memorable virtual process that allows potential new members (PNMs) to get a feel for each chapter and find a group of men that best fits them. Many new students are entering college unable to socialize face-to-face with their fellow Aggies. We are striving to create an impactful recruitment experience that will introduce PNMs to the brothers who will accompany them through college and beyond.

Below is an outline of our updated schedule:

- **August 10 – Orientation:** PNMs will get in-depth instructions for navigating the recruitment process
- **August 12 – Convocation:** PNMs will get an overview of each member fraternity
- **August 13 – Philanthropy Day:** PNMs will attend virtual events hosted by member chapters
- **August 14 & 15 – Brotherhood Days:** PNMs will attend virtual events hosted by member chapters
- **August 16 – Invitation Only:** All chapter events are by invitation only (virtual)
- **August 17 – Hazing Prevention Workshop & Bid Pick-ups:** PNMs must attend the hazing prevention presentation to accept a bid

Registration for formal recruitment this fall is currently open until Sunday, August 16 at 10:00 p.m. CST. Next week, we will release information about recruitment orientation and future live Q&A sessions on our website and social media pages (tamuifc).
