Taking into account the rising number of COVID-19 cases in the state of Texas, the Collegiate Panhellenic Council (CPC) has made the difficult, but necessary, decision to move Recruitment to an all-virtual process. We greatly value the recruitment experience and are working tirelessly to ensure it is still magical. If you choose to cancel your registration, a refund will not be awarded.

Here is an outline of each round with our updated schedule:

**August 7:** Convocation - PNM will attend a virtual presentation to prepare for the week and receive access information for the first round of Recruitment. CPC will send more information about Convocation in late July.

**August 7-8:** Open House - PNM will have a 24-hour window to watch the 14 five-minute chapter videos. Chapters will watch the one-minute videos that each PNM submitted.

**August 9-11:** Philanthropy - PNM will attend events on Zoom.

**August 12-14:** Sisterhood - PNM will attend events on Zoom.

**August 15:** Preference - PNM will attend events on Zoom. PNM will receive a schedule on the morning of the first day of each round they are invited to. At the end of each round, PNM will select and rank their preferences virtually.

**August 16:** Bid Day - PNM will receive an invitation to membership from a chapter. Chapters will host individual Bid Day celebrations for the PNM following state, local, and university guidelines.

**Residence Life / Move-in:** We are working with the Department of Residence Life to ensure virtual events do not interfere with move-in times. If you are living on-campus, please note that you will have a 30-minute time slot in which you can move in. You may only bring two volunteers to assist you, and no additional university volunteers will be provided. If you feel your move-in time may cause a conflict, we ask you to fill out the conflict form you will receive in your confirmation email upon registration. If you have already contacted Residence Life about changing your move-in time, you will hear back from them early next week.

Registration is still open and will close on Friday, July 31. PNM will have until Friday, July 31 to submit a one-minute video. You will receive further instructions regarding this submission once your registration has been confirmed. PNM will have to complete a set of online modules before the start of Recruitment Saturday, August 1.
